

# Victory Johnson, FRONT-END DEVELOPER

Lagos, Nigeria, 09064286189, johnsonvictory911@gmail.com

## PROFILE

I am an experienced front-end developer with expertise in creating visually stunning and highly functional websites and web applications. Proficient in front-end technologies and frameworks such as HTML5, CSS3, JavaScript, React, and PHP. Skilled in no-code development platforms like WordPress, WebFlow, and Codux. Proven track record in translating design concepts into responsive and user-friendly interfaces, optimizing website performance, and ensuring cross-browser compatibility. Strong leadership and management skills, with a history of successfully leading cross-functional teams to deliver exceptional user experiences and exceed project goals. Committed to staying up-to-date with industry trends and continuously enhancing skills to create innovative and engaging web solutions.

## EMPLOYMENT HISTORY
