Profile

After completing my secondary schooling, I started programming, and I've been doing it ever since. I've finished my Bachelor of Science in Computer Science at Anchor University Lagos. UI/UX designs, HTML5 and CSS3, JavaScript, React.js, and other programming languages are all areas in which I have experience as a driven programmer. I'm a quick learner who excels at team projects, and I'm always eager to learn about new technologies.

Key Strengths

Development of web applications

Front end web development using :

- HTML5 and CSS3
- Java Script
- React.js

UI/UX design :

- Figma
